WEDDING DAY LOGISTICS

On the wedding day, the hair will be done following a schedule. The bride must communicate the importance of being on time and properly prepared. Every person getting their hair done in an upstyle, half-up style, or curls must have their hair already blown dry. The stylist will not allow time for this. If such a case arises, the stylist will charge extra to blow dry (if time permits) or the service will be forfeited and the charge will still apply. The Bride must confirm and commit to the number of services stated above. Charges will include all persons stated above. The stylist needs a designated space to set up when on location. The bride is responsible for clearing an area before the stylist arrives. The stylist will need a work area with a chair near an outlet in a no walk-through traffic area. Good lighting and a mirror is a plus! If services cannot be performed due to insufficient work conditions or tardiness, all fees still apply. The hair stylist will not be held liable for any injuries that should arise while on location.
